Newsletter Ads

Our monthly newsletter, *Chamber News*, is sent to almost 400 members and subscribers. You can place an ad in the newsletter for a flat fee of \$50 per month. The ads should be **no more than 600 pixels wide** (this is a restriction of our e-mail marketing program) and preferably **no more than 350-400 pixels in height**. We may resize the image as needed. See more information in the next section below.

Advertising opportunities are open to all Chamber members in good standing.

- Advertising images should be full color, and of good quality.
- Images should be in .JPG or .TIF formats, or Adobe PDF (which will then be converted to an image). For best results, please make sure the images are at least slightly larger than the size you ultimately selected and paid for.
- Half page and quarter page advertisements in the *Member Directory & Newcomers Guide* are laid out according to best fit on the page (in relation to space and other ads appearing nearby) and may be relocated on the page as new ads are acquired and existing ads are removed. Sizes for all layouts illustrated on Page 1 are approximate, but very close, to the stated dimensions found under each example.
